There is no poison so highly contagious, so deceptive and so destructive. Don't be too sure you are cured because all external signs of the disease have disappeared, and the doctor says you are well. Many persons have been dosed with Mercary and Potash for months or years, and pronounced cured—to realize when too late that the disease was only covered up—

\*\*Riko Bogots Liko\*\* driven from the surface to break out again, and to their sorrow and mortification find those nearest and dearest to them have been infected by this loathsome disease, for no other poison is so surely transmitted from parent to child as this. Often a bad case of Rheumatism, Catarrh, Scrofula or severe skin disease, an old sore or ulcer developing in middle life, can be traced to blood poison contracted The Sin of the Parents life, for it remains smoldering in the system forever, unless properly treated and driven out in the beginning. S. S. S. is the only amidote for this peculiar virus, the only amidote for this peculiar virus, the only middle for this peculiar virus, the only middle if out of the blood, and it does this so thoroughly and effectually that there is never a return of the disease to embarrass or humiliate you afterwards, come it and drive it out of the blood, and it does this so thoroughly and effectually that there is never a return of the disease to embarrass or humiliate you afterwards, come it and that cleanses the blood and at the same time builds up the general health.
